Rocco Fiorentino

This young man may not be able to see, but God has given him an amazing gift in his voice...

I saw him for the first time on Sesame street, where they like to create understanding for people with disabilities..

What an amazing musician and a very strong jazz singer.... right up my alley....

As far as I can see Rocco Fiorentino, a 13 year old blind teen from New Jersey sure isn't disabled!

Have a listen....it is worth it!
